

Abel Sirak Kebede

Computer Scientist • Full-Stack Developer • Innovative Problem Solver • Fast Learner

About Me

I am a highly motivated and detail-oriented Computer Science graduate with a strong foundation in full-stack development and modern web technologies. Passionate about designing software that connects people, empowers learning, and drives innovation. I excel in collaborative environments, adapt quickly to new challenges, and continuously strive to enhance my technical and interpersonal skills. Recognized for being a fast learner, proactive problem solver, and creative thinker ready to contribute effectively to any technology-driven team.

Education

- B.Sc. in Computer Science – Ankang University, China (Graduation: July 2025)

Technical Skills

React

TailwindCSS

JavaScript

HTML5

CSS3

Node.js

Express.js

PostgreSQL

MongoDB

Git & GitHub

Figma

Projects

- **CampusHub** — E-learning + Social Media Platform (React, Node.js, PostgreSQL, Socket.IO)
- **PickPick Ride App** — Ride-hailing platform design
- **Logistics Dashboard App** — Business tracking platform
- **Bible App Multilingual** — Educational mobile app concept

Achievements

- CampusHub Graduation Project Completion
- International Study & Cross-Cultural Experience
- Recognized as a fast learner and adaptive problem solver

Future Goals

- Pursue a Master's in Computer & Data Science

- Develop innovative software solutions and scalable e-learning platforms
- Contribute effectively to high-performing tech teams
